

The Communicator

for STUDENTS of

The Ohio State University at Lima and Lima Technical College

ART EXHIBIT OPENS - The work of Ohio Northern University art professor James DeVore is on display in Reed Hall 160 through February 13. DeVore's "romantic realism" style is easily accessible. His luminous watercolors and etchings are in many collections throughout the United States and Canada and he has exhibited throughout the country and in Japan. His professional affiliations include the prestigious American Watercolor Society, the National Watercolor Society, and the Graphics Society. DeVore will present a "gallery talk" on Thursday, January 27 in Reed Hall 160, commenting on the exhibit and on the joys and woes of working with watercolor.

TOUR WITH US - Take a trip to the Toledo Museum of Art to see the fabulous "AGE OF RUBENS" exhibit on Saturday, April 9. This exhibit, organized by The Museum of Fine Arts in Boston, brings together more than 125 paintings by the 17th century artist Peter Paul Rubens, his collaborators and colleagues. This major exhibit will only be shown in Boston and Toledo. Join an OSU/LTC sponsored trip to the museum that will include your bus transportation and a docent guided tour. There will be ample time for a "dutch treat" lunch in the Museum Cafe and time to browse in the Museum Gift Shop. The bus will depart the campus at 7:30 a.m. and return by 2:30 p.m. Cost to students - \$22.00; non-students - \$25.00. Reservations must be made in the Student Activities Office by February 25.

- In case of severe weather, please tune in to your local radio stations in Lima, Delphos, Sidney, Findlay, Toledo, Ottawa, Columbus Grove, Wapakoneta, St. Marys, Celina, Kenton, Bellefontaine, and Van Wert or to WLIO-TV in Lima for notice of school closings. A decision will be made by 6:30 in the morning for a day closing. Calling the schools only complicates the problem. Please cooperate when the weather doesn't!

STUDENT ORGANIZATION NOTES:

STUDENT SENATE PLANS - The Student Senate is planning several programs that will focus on problems students are facing in today's society. AIDS AWARENESS WEEK, February 21-25 will bring speakers and health professionals to campus to answer your questions about this complicated and still incurable disease. PARTY SMART week is being planned for March 7-11. Alcohol is the "drug of choice" for a majority of students in our society. The havoc that it creates wrecks health, homes and careers. In a lighter vein, the Senate will have their annual Valentine's Day Balloon Sale on February 10, 11, and 14 in the Galvin Basement. And this week's activities focus on the BIG BARON BLOWOUT coming up Wednesday, January 26 at 5:00 in the gym.

DO YOU PLAY CHESS? - Did you know that a campus sponsored Chess Club meets in the Gameroom on Thursdays from 8:00 - 10:00 p.m.? If you would like more information, contact Dr. Harry McSwiney in Galvin 460 - H or call him at 221-1641, Ext.262.

COMPUTER USERS MEET ON SATURDAYS - If you still have a Texas Instruments 99A computer you can join the TI99A Computer Club that meets in GA 334 from 9:30 - 11:30 a.m. on the 3rd Saturday of each month. Swap software and stories with other "antique lovers"! The year culminates in May when the annual TI 99A Conference is held on campus. It draws computer users from all over the country. If you think the Computer Club is for you, check with Dr. Charles Good, Galvin 460-E or call him at 221-1641, Ext.205 for more information.

IMPORTANT NOTES -

OSU MAIN CAMPUS ON TV SHOW- Bob Vila, host of the show "Home Again," recently taped segments of the show on the OSU Columbus campus. Dr. Gordon Gee, President of The Ohio State University, met Vila, exchanged hats with him and discussed the Wexner Center. The show should air on February 6.

MARINES ON CAMPUS TO RECRUIT - A recruiter from the local Marines Recruiting Office will be on campus on Tuesday. If you are interested in joining this branch of the military, be sure to stop by the basement of Galvin Hall anytime between 10am and 2pm.

DO YOU NEED A CREDIT CARD? - Citibank Visa card representatives will be in the Galvin basement on Monday, Jan. 31, to sign up prospective cardholders. Some good tips for safeguarding your credit cards are: never lend your credit card to anyone; never give your card number over the phone, unless you are certain the company or organization is highly reputable; keep a record of your card number, expiration date, and the phone number and address of the card company in a safe place, separate from your wallet. Write promptly to the credit card issuer if any questionable charges appear on your statement.
